

CAR / TRUCK > AUTO / AUTOCARRO - LIFTERS

**LIFT BOTTLE 20 TON**Code: **MOF01XXXI0023**

The 432021 model is a new pneumatic lifter with reduced vertical dimensions, which makes it possible to use it in limited spaces. It finds application in the handling of industrial machinery, on lowered industrial vehicles, in the precision positioning of cranes.

The robust air motor has a remote control button for added safety. Integrated extension screw.
Pneumatic use only.
