HAND CLEANING WIPES - PROFIX RUB

Code: **MAP02PXXC0010**

Abrasive cloths impregnated with a special detergent solution for cleaning and careful handling of hands, tools, machines and work surfaces that are particularly dirty and greasy with stubborn grease.

Ideal for use in different work areas, thanks to the convenient bucket packaging with handle that protects the product pre-soaked and pre-cut from external contamination.

Cloth dimensions: 30x26cm

Pack of 72 cloths
