

CAR / TRUCK > CAR / TRUCK - IMPACT WRENCHES

**SCREWER IR 2850MAX-6 - 1"**Code: **MUT02ACIA0010**

The 2850MAX 1" D-handle Impact Wrench, our fiercest 1" wrench, engineered to make quick work of big jobs like semi, bus and tractor tires. This tool has been made lighter, pushed harder and worked longer to make sure it can handle repeated demands without sacrificing power. Every time you need extreme torque, this lightweight boss can get the job done.
