

CAR / TRUCK > CAR / TRUCK - INFLATION AND CONTROL

**ACCURA INFLATION GUN**

Model 403 (Truck) / Model 404 (Car)

Code: **MGO02PDPC0002**

Digital tire inflator that combines the robustness of an analogue metal inflation device with the lightness, precision and ease of use of a digital meter. Extremely robust aluminum body with protective rubber bumper. The small compact body is the lightest metal digital inflator on the market. The Slimline biomorphic body shape offers greater user comfort. Permanent backlight in use, automatic switch-off after 25 seconds of non-use - Easy reading in dark workshops or at night. Replaceable 2 x AAA battery power unit (included).
