

CAR / TRUCK > CAR / TRUCK - VARIOUS

**X39 BRAKE / CLUTCH CLEANER
400ML**Code: **MRI05XXV00005**

The formulation of the product has been developed for an optimal cleaning of the clutches and the braking bodies of the disc or drum brakes such as pliers, pads, jaws, cylinder, plate etc. Eliminates dust caused by rubbing the pads and removes dirt, grease and oil that can compromise the efficiency of the braking system. Dries quickly without leaving any residue. Excellent degreasing power. Does not corrode metals and does not damage rubber parts.
